PRESENTATION

Your Excellencies,

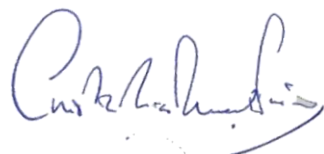

The International Organization for Forensic Odonto-Stomatology (I.O.F.O.S.) is an international scientific organization with a 51 years old, with objectives that include teaching and researching in the field of Forensic Odonto-Stomatology. This organization is an umbrella for the respective national organizations worldwide. The members of I.O.F.O.S. are not individuals, but national societies. Therefore, it is a non-profit non-governmental organization (NGO).

Forensic Odonto-Stomatology is a field of Dentistry not wide known by external entities or brands, however has a wide-range practical areas of intervention.

On September 8, 2023, Professor Cristiana Palmela Pereira was elected President of the I.O.F.O.S, with a three-year mandate, terminating by September 2026, with the organization of the Triennial Meeting (Triennial Meeting of the International Organization for Forensic Odonto-Stomatology), that will take place on 9 to 11 of september, 2026, in Lisbon, Portugal.

The IOFOS 2026 Triennial Meeting theme is "Digital Workflow and Artificial Intelligence in Forensic Odontology: A Path to the Future". This is an excellent theme for the next IOFOS 2026 Triennial Meeting since today's obstacles represent tomorrow's opportunities.
